19 Blast kids signed up so far. How many now? 25 kids

- Season has commenced with all teams now underway.

- Carl's Junior have come on board as our Sports Awards for the U11-U15 playing groups, who are a fast-food burger shop in Armstrong Creek and have supplied 45 \$14 junior meal vouchers. The fence sign design has gone to Andrew Monk to get actioned.
- Still looking for awards for the U17's for player of the match.
- The GJCA draw has had a few hiccups and have requested our U17 fixture is changed with an imbalance in the number of home games and zero games at home after XMAS. The coach of that side is thrilled.
- Have also had to make weekly changes to the fixtures as we look to move games from #7. The GJCA have been helpful in this area and been pretty accommodating to help us with the changes.
- Jack Flynn-French is designing a weekly template for junior game locations so that we can get our senior mens and ladies groups to attend games where they can.

### **Seniors Report**

RD 5 against Newtown 2ndXI to be played Sunday 11 Dec @ St Marys

Pracky game for the turf grade wasn't great.

Spinners got slaughtered. Meds bowled well.

Top order went too hard at the ball early and left too much to the middle order.

Hard wicket guys were great.

Hoping to finally play this week as weather has been terrible.

Potentially only looking at 6 sides this season.

Feedback on the young and new blokes has been positive.
